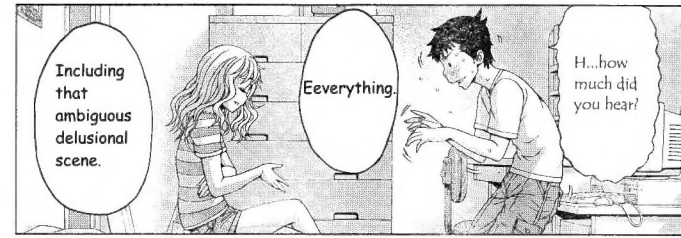
Sayo is a bad girl who only misunderstands things, but...
Sayo!
...can I become Shouta-kun's girlfriend?
!!!

YES!!
Finally! In my lifelong history of not having a girlfriend, finally...
I got a girlfriend!!
hmhmmm hm♪
Yahoo!
I'm hoome♪
Oh man, I'm thinking about it again. Heheheh ♥
I'm glad I timeslipped into this time period...

I couldn't have imagined it earlier in my life...
heheheh ♥
To think that the current me would be going out with Sayo.
Sayo is a bad girl who only misunderstands things, but...
...can I become Shouta-kun's girlfriend?
That's what she said ♥
I can't get enough of it!
Hmpf
Good for you...

Rio!
Why!?
Hiii!?
Your big sister told me to wait in your room.



H...how much did you hear?
Eeverything.
Including that ambiguous delusional scene.

ugh...
So... what do you want?
For the sake of Sayo's honor, I won't tell anybody.
But don't worry.

Interrogation.
A lot of things happened with Sayo on the day of the festival, right?
huh?
...was my intention, but it looks like that isn't necessary anymore.
I hope you'll be happy.
Th... thanks.
By the way...
I was worried, but it looks like things worked out alright.
Sorry for going out of my way to come here.

!
What are you going to do about Konomi?
すっ
Well...
You still...
...have feelings for her, don't you?
hmpf, I knew it.
Despite that, you're still able to say that you are going out with Sayo.
Poor Sayo.
.....

You're always like this, aren't you.
I mean, you're behaving suggestively.
Even though you really don't love, you just put on a smiling face.
Is that how you make them fall for you?
You're the lowest!
You're wrong...
If that's so, then confess to Konomi and make it clear!
Just looking at you pisses me off!

I've sealed it away.
?
The feelings... are there.
Probably for life.
haah!?
Then that means...
!!
But I can never be bound to Konomi-chan.
I can only be clear about that.

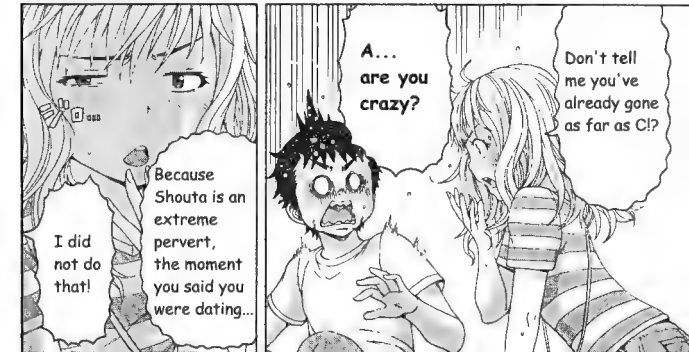
B!?
I'm asking you if you have done... B!



A... are you crazy?
Don't tell me you've already gone as far as C!?
Because Shouta is an extreme pervert, the moment you said you were dating...
I did not do that!

I'm not a filthy bastard that can't keep his hands off of kids, you know!
For your information, I'm a late blooming gentleman!
And I've got 25 years of virgin achievements to prove it!
No way... Poor Sayo has to wait so long...
Now which is it!
5 more years... No, I will uphold that without fail for 10 years!
Wha!?
Sayo wanted to have a baby... so she followed the special lessons on how it is done.

Anyway, we'll be having an easy platonic relation.
Wouldn't it be done sooner if you two got married?
No way!!
Yeah yeah, you are speaking fondly of your loved one, aren't you?
You bitch! Just now, you...

Shouta! I've prepared some snacks...
Ch!
You didn't need to...
I'll have some, but I'll be back.
See you!

Why am I involving myself... I look like an idiot.
It's lukewarm and damp... disgusting.

I'm sure Sayo will also be on this bed

I don't care about...

Despite that, why is it...

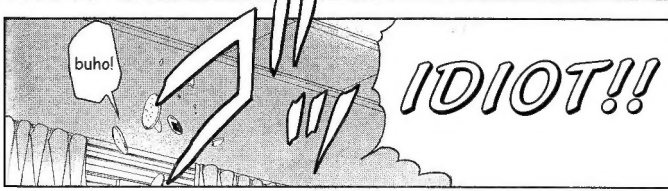
Shouta-kun

nn!
So warm...
hold me closer...
Skin on skin...
it feels good, doesn't it...
He's the lowest...

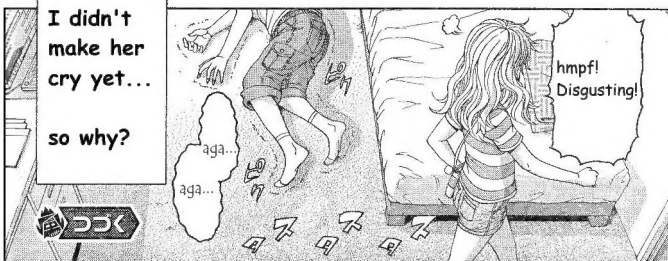
Is it okay?
Sayo, I...can't...
Wait...
I'm scared.
Shouta-kun...

Don't worry...
I'll do it slowly.
nn!
Shouta...
Here I go...
Sayo.
Rio...
Rio.
eh...

Hiiiii!!
Rio
Don't you want some?



buho!
IDIOT!!



I didn't make her cry yet...
so why?
